

Midnight Pancakes

[Verse]

Midnight snack craving loud in my head

Fridge light's glow I'm out of bed

Flour and eggs mix in the bowl

Whisk away now that's the goal

[Chorus]

Flippin' pancakes in the dark

Syrup drips sweet like a lark

Batter sizzles kitchen dance

Griddle heat our love's romance

[Verse 2]

Butter melts bright golden dreams

Pancake stacks no need for schemes

Fork and knife they sing and cheer

Quiet hours joy appears

[Chorus]

Flippin' pancakes in the dark

Syrup drips sweet like a lark

Batter sizzles kitchen dance

Griddle heat our love's romance

[Bridge]

Morning comes we laugh and spin

Sticky hands and syrup grins

Clock ticks fast but love stays slow

Midnight snacks we both know

[Chorus]

Flippin' pancakes in the dark

Syrup drips sweet like a lark

Batter sizzles kitchen dance

Griddle heat our love's romance
