

## My Baked Potato

[Verse]

Because I love you

You don't have to say anything nice

Whenever I cook this

Remember it's the thought that counts

I made a baked potato

And I left in all the eyes

I made a baked potato for you

[Verse 2]

My family said don't do it

They said you're gonna ruin a good thing

They said oh my God don't do it

They said once you try this

You'll never go back

[Chorus]

I made a baked potato

And I left in all the eyes

I made a baked potato for you

[Verse 3]

Why did I do it?

Why did I do it?!

In hindsight

Not a great idea

[Bridge]

So can I make you something else instead?

You don't like it and I understand  
I'm really sorry I put you through this  
Next time I'll make you pork instead

[Chorus]

I made a baked potato  
Be sure to close your eyes  
So you don't see my baked potato for youuu
